PRESIDENT 2025 WELCOME

Mount Isa, are you ready?

We have been working hard to be able to showcase to you an amazing display of local talent and abilities this year. We also have put our thinking caps on to try to bring you something new, exciting and different from previous years!

With all the turmoil and anguish our city has been experiencing in the last 12 months, it has been a challenge to be able to get the sponsorship and support to keep up morale, but we need the enjoyment and excitement of the Mount Isa Show to showcase and celebrate just how awesome our community is!

If you are reading this schedule, thank you for having an interest in joining us in revealing the dedication and commitment to your craft and helping us in unveiling your talent to our community. It wouldn't be much of an event without the community putting their hands up to make, bake, grow, collect or compete in our show - be it in the pavilion, the horse ring, the bronco branding yard or the motor enthusiast arena.

Once again our show isn't possible without the many generous sponsors who donate their services, their equipment and their hard earned cash. Every little bit helps - whether its big or small - to put our show on and we cannot thank them all enough for helping us make it all come together for you to enjoy!

This year we have had some new people throw their hat in the ring and come join our show family. New people have new ideas and helps lighten the load for our regular members so this is why you would have noticed some changes in this year's schedule and program, our online presence, our increase in social media. A change is as good as a holiday and we want every-one to come out on our show day holiday and have an absolute blast at this year's show!

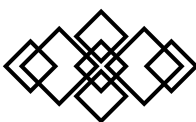

Finally - a huge thank you to all of our sponsors, the show committee, the show members and our volunteers. We couldn't do it without you!

If you have any ideas on how we can do it better or if you too want to help out - don't be shy - put your hand up or drop us a line and let us know.

Now go get creative, start show prepping and get your entries in and we will see you at the Mount Isa Show - It's a whole lotta fun!!

Anne Pittis

President - Mount Isa Agricultural Show Society Inc.
