SPONSORSHIP OPPORTUNITIES

PART B **Its SHOW TIME - 2026 Mount Isa Show!**

This year's Show will see an increase in attendance as we expect more families with school aged children to attend because the Qld School Holidays does not start until a week after the Show. A lineup of family entertainment and amusements is planned for 2026 to cater for our families and all age groups. Fun Times for Everyone!

For Sponsors this event offers a great opportunity to have maximum exposure for their brand and business. Advertising coverage for the event is spread far and wide with a strong online and social media presence, which includes an informative website, Facebook and Instagram. In addition to the advertising and promotion, our event is a great media story that gains a lot of exposure.

To enable you to be involved to support this local event a number of sponsorship opportunities is outlined in the following prospectus. While all offers will be honoured some changes may be necessary if sponsorship sales exceed our current expectation,
